## TORS ON STRIKE AGAINST JOHNSON.

London, Aug. 20.—If Jack Johnson, Negro pugilist, appears at a London music hall at which he is to be beginning Aug. 25, none of other performers will appear, according to a statement issued by newspapers this evening. His resentment is expressed in social circles at the engagement of a man under bail on a slave charge, being regarded as degradation to the profession. Variety Actors' Federation agreed to take formal action meeting tomorrow. Several papers and a number of clerks have voiced their opposition to Johnson's appearance on the

Sunday School Convention of Creek Baptist Association, Rev. T. W. Stevenson, at, is holding a five days' session at the First Baptist church now, which will close Sunday.

Hamilton, a resident of Tulsa, was in the city Monday and he anticipated a large number of delegates and visitors to the convention.

**Conscientious.**—Editor of a New York magazine received a story of which he was laid in the state of Washington. He wished to have the story stricken and in order to obtain just local detail he sent the manuscript to a young artist out in Washington. Before doing so, however, he scrawled hastily across the top of the first page the address of the writer, which did not otherwise appear on the manuscript. It was "Sheila Nash." With the story the editor sent a letter asking the artist to make a wash drawing of a certain effective scene and forward it as soon as possible. By return mail the editor received an anxious reply from the young artist, saying: "I note that you wish me to use Sheila Nash, but I do not know of any such wash, nor do any of the dealers out here. If you can send me a type I shall be glad to make the drawing."

# Sapulpa NEWS

The members and visitors of the Baptist church had a gay time Sunday installing their newly elected pastor, Rev. J. F. Kersh. D. D. in Tulsa preached a noble sermon. In the afternoon Hon. Freeman L. Martin Attorney-at-law delivered a speech that left his hearers spellbound. The services were enjoyed by all. Rev. M. D. Brookins of the A. M. E. church and Rev. C. H. Houston of the C. M. E. church made addresses of welcome in behalf of their churches.

Mr. D. S. Sanders Nodle, Grand of Sapulpa Lodge No. 7980, C. U. O. of O. F. is pushing things along for a successful Picnic Sept. 5th.

Sir W. L. Nall G. D. of the Knights of Harmony spent last week in the Eastern part of the state in the interest of the order. Mr. Nall is a most earnest worker for the order. Mr. H. T. Hutton, Sec-Treas. of the K. and L. of Harmony was also invited to Muskogee Tues. morning by grand Deputy Nall, where they swayed down upon the good people accepted the casting their lot with the Knights and Ladies of Harmony for the reason the order is in the very best of condition and the public well know that.

Editor Smitherman, of the Tulsa Star was in the city Monday.

Miss Gertrude Oglesby, left Monday for Ohio, where she re-enters school.

Miss Oglesby graduates next term her return takes from Sapulpa one of its most accomplished young ladies her associates will greatly miss her.

The Star reporter wishes to correct an error of last week and say Mr. Harry Woods instead of Mr. Mathew, was visiting his brother and sister.

There may be another lodge of the Knights and Ladies of Harmony in the City of Tulsa. Tulsa is a great City and generally do what ever she undertakes. Large membership is the thing needed in all lodges. The Lodge in Sapulpa certainly has a long list of financial members.

BOB ROGERS, Manager

The hotels and other public places in New York cannot discriminate against the colored people and other races after September 1, when the new civil rights law passed by the last legislature goes into effect. Under the new law it is a fine of \$100 with imprisonment for the proprietor of any hotel, rooming house or any kind of public place where discrimination is allowed on account of race or color. This is certainly a progressive step on the part of the Empire state and it is hoped that such civilization will eventually come about in other states.
